Dear First Grade Friends,

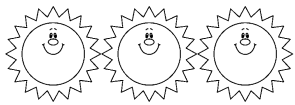

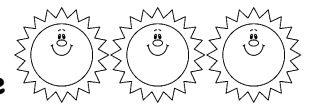

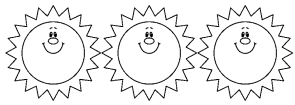

Each day/night of summer vacation, please read so we can see what great readers you became in Kindergarten. **For every 20 minutes read, color in one sun.**

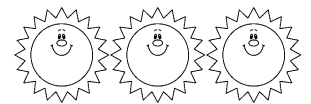

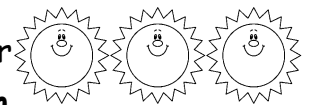

In July, choose one book to tell us about. Write the title and author's name. Then, you will write about the book by answering Question 1 and four other questions from the list below (for a total of five questions to be answered about one July book).

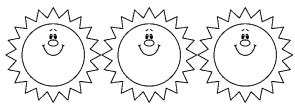

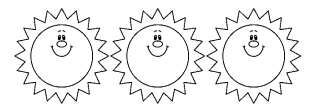

In August, choose another book to tell us about. Write the title and author's name. Then, you will write about the book by answering Question 1 and four other questions from the list below (for a total of five questions to be answered about one August book).

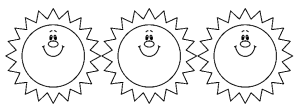

We look forward to seeing and hearing about your summer reading when you return this entire packet to your teacher on Friday, September 4th.

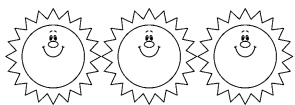

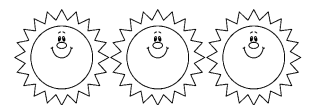

Have a safe, happy, and blessed summer,
