

## Summer Reading 2021

Dear Parents and Families:

*In Reading, students entering second grade are asked to read four to seven chapter books. A suggested list of books is included. Your child is responsible for completing a book report form for each of the books they read. Please have your child return these book reports to their new second grade teacher on September 10th, 2021.*

*Enjoy reading as you relax over the summer months!*

## **Second Grade Suggested Summer Reading List:**

Help your child select books that feel “friendly/familiar” to other books they have enjoyed. Should your child want to read a harder book, read it aloud together.

### **Easy Readers**
